

# NOW IS THE TIME FOR HOME SOLAR WITH SOLARCRAFT AND SUNRUN

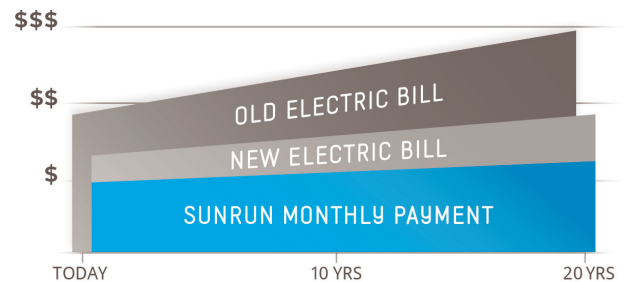

## EASY AND AFFORDABLE HOME SOLAR

Upgrade your home to solar for little to no upfront cost and simply pay monthly for solar power.

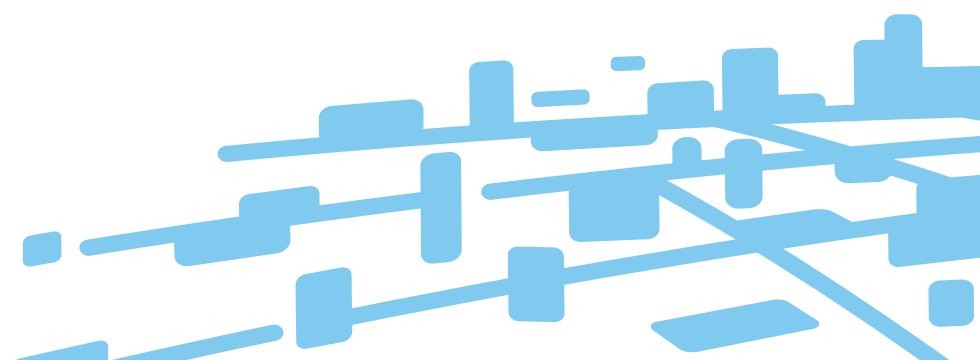

- Save up to 15% on electricity costs
- Protect yourself from unpredictable utility rate increases for 20 years
- No maintenance costs

## GO SOLAR. MAKE A DIFFERENCE.

- Switching to solar reduces greenhouse gas emissions and climate change
- For every six homes that go solar, one green job is created
- Home solar systems ease strain on the electricity grid, reducing blackouts

Graph illustrates the long-term savings of an average solar home. Actual savings may vary.

"The crew that came to my house to install was always friendly, professional and courteous - your company provided top notch customer service from start to finish!"

Theresa, Napa, CA

## THE BENEFITS OF SUNRUN SOLAR POWER SERVICE

### COMPLETE CARE OF YOUR SYSTEM

Sunrun takes complete care of every system. We'll identify any issues and fix them before you are aware of a problem.

Our service includes:

- Solar production performance guarantee
- Insurance for the system
- Monitoring and repairs

### SUNRUN TOTAL SOLAR

Sunrun Total Solar is the simplest and most affordable way to get home solar power service. There are two ways to pay. With **Total Solar - Low Upfront**, you can get started for as little as \$0 and pay monthly for solar electricity. Or, choose **Total Solar - Prepaid** to pay in advance and lock in a low rate for electricity for the next 20 years.

Get started today. Call **415.382.7717** or visit **[solarcraft.com](https://solarcraft.com)**
